CONFESSION STATEMENT

People are standing in line to get into this church to hear the Word of God.

Every seat is filled in every service with expectations of signs, wonders, and miracles: our Sunday morning service at 9:30am, our Wednesday night mid-week service at 7 o'clock and any other service that we might have.

Every need in this ministry is met and we are 100% tithe givers. All of our property is paid off in full and we owe nothing to no man.

Every member of this Church is healed, blessed, and prosperous and we are reaching the world with the gospel through our prayers and support.

For this is a prosperous year for us and the doors of success have been opened. We shall succeed in everything in Christ, the doors of failure have been closed and we shall not know defeat. (Repeat three times)

And being fully persuaded that what He has promised, He is able to perform in Jesus' name! Amen & Amen!

Restoration is **NOW!**
